# 2026 Save a Stray 5K

## Fundraising Information

*A fundraiser to benefit Sullivan County Humane Society*

Hey, there!

Guess what? I've officially thrown my hat into the ring for the **Save a Stray 5K** on June 27, 2026, and I couldn't be more excited! I'm gearing up to raise some serious funds to keep those cute kitties at the Sullivan County Humane Society (SCHS) purring with contentment.

You see, every step I take in this race isn't just for the thrill of it (although I do love a good jog in the park), but it's also to ensure that those furry felines get all the TLC they deserve. From chowing down on delicious meals to snuggling up in cozy housing and even getting top-notch medical care, we're making sure every whisker is well taken care of.

Now, here's where you come in. I'm on a mission to turbocharge my fundraising efforts, and I need your help to make it happen. Whether you want to sponsor me for each mile I conquer or just drop a flat-out generous donation, every bit counts toward our goal of \$3,000 in pledges for SCHS.

Feeling ready to join the cause? Awesome! Head on over to our GoFundMe page with the Unique Link I provided so that I can get the credit for your donation or you can donate directly to the cause by clicking on this link [Support Animals at SCHS](#) and let me know you supported my team. Prefer the old-school charm of snail mail? No problemo! Just pop a check in the mail using the handy-dandy offline pledge form, and don't forget to mention you're backing my team.

And don't forget — all donations are tax-deductible, so you're not just making a difference for the kitties, but also for your wallet come tax season.

Thanks a million for considering lending a paw in this endeavor. Your generosity means the world to me, and to all those adorable cats waiting for their forever homes.

Pawsitively yours,
